

Expired and Unsalable Stock Is Valuable...

Are you losing thousands of dollars each year because you are failing to return unusable merchandise?

Are you attempting to handle the return of this merchandise with 'in-house' personnel, taking them away from their normal duties?

Are you using an outside company to handle these returns and paying 10 to 15% in processing fees?

If so, read on. . .

Cohen's Inventory & Rx Returns recognizes the difficulty of running a pharmacy in today's competitive business environment. Due to lower profit margins in today's business environment, it is essential to save money wherever possible.

Cohen's Inventory & Rx Returns brings 50 years of seasoned experience in meeting the inventory and return needs of the tri-state pharmaceutical industry. We offer you the extra effort and personal care needed to provide your pharmacy with ***the very best service available.***
